

National Right to Life

2024

National Oratory Contest

The Oratory Contest is conducted by each NRLC state affiliate organization. The contestants compete according to the rules and deadlines in their state, and then each state's winner will compete in the National contest at the National Right to Life Convention in Washington, D.C., on June 29, 2024.

Contestants deliver a 5-7 minute speech on a pro-life topic they choose and are then scored on the delivery, content, accuracy, etc., of the speech. The contest provides a great opportunity for students to learn to articulate the pro-life message and to meet fellow pro-life students.
